Senate Committee on Transportation and Elections Testimony Senate Bill 271 October 31, 2011

Senate Bill 271 closes a loophole in state law. Under current law, a person may cast an absentee ballot and then also vote in person. This practice is inconsistent with current law prohibiting a person from casting more than one ballot in an election.

This bill clarifies that a person exercising the privilege of absentee voting is precluded from voting a second time in person. This bill will ensure the fairness of one person, one vote.
